Commonwealth Taxi

In 1919, Commonwealth Motors of Joliet, Illinois starts to sell their nickel-alloy steel cars to a few taxi companies. It uses the Commonwealth frame and a body by the Lomborg Auto Body Manufacturing Company.

Club News

2019 February 19

How are we doing?

At CCCoA, we are always seeking new ways to provide value to our members. We are currently considering potential new links, and we would love your feedback on if this would be valuable to you.

Please give us nine minutes or less of your time to tell us what you think. We'll use the real-world perspective of members like you to determine whether or not we should offer this new site information. If we do move forward, your feedback today will also help us tailor it to meet your needs.
